

HOUSE JOINT RESOLUTION 590

By Gilmore

A RESOLUTION to urge the commissioner of health to develop protocols to recognize multiple chemical sensitivity and appropriate responses to assist persons affected with multiple chemical sensitivity.

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED NINTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, that the commissioner of health is hereby urged to consult with public health organizations, the medical community, the department of education, the department of labor and workforce development, the department of general services, and other relevant stakeholders in order to develop protocols for the medical profession, schools, public venues, workplaces, and other relevant stakeholders so that multiple chemical sensitivity might be recognized and appropriate responses developed to assist persons affected with these sensitivities.

BE IT FURTHER RESOLVED, that on or before December 31, 2016, the commissioner is encouraged to post any such protocols developed on the department of health web site. After posting such protocols, the commissioner is urged to review responses to the protocols and revise the protocols annually by December 31 of each subsequent year.

BE IT FURTHER RESOLVED, that an appropriate copy of this resolution be prepared for transmittal to the commissioner of health with this final clause omitted from such copy.
